b) Industrial Consultancy Services Department (ICS)
   - Prefers candidate with Environmental-related background
     - Duration of Internship - 3 - 6 months

For those who are interested, kindly email the application details directly to me (jacqueline.wong@mxns.com), together with below supporting documents:

a) Resume
b) Academic Transcripts
c) Offer Letter from University
d) Kindly indicate the location and department they are interested in
e) Kindly indicate the longest available dates for internship duration

Do take note of below matters for all internship applications:

a) All trainees are under the responsibility of all the University Coordinators. Therefore, we appreciate your compliance to our company policies as part of relationship management. Failure to do so may result in the University being blacklisted from our list.
b) For cases where the candidates do not show up or resign during the internship period, all Coordinators are expected to source for another candidate as replacement for the vacancy.
c) We appreciate your assistance to communicate with the Trainees that any form of leaves is not allowed during the period and in cases where leaves are inevitable, kindly provide supporting documents from the university as proof.

Appreciate your assistance to forward to all relevant PIC within your university.

For further enquiries / clarifications on the matter, feel free to drop an email to me directly and I will attend to you soon.

Thank you for your time.

Best Regards,

Jacqueline Wong
