Dear Sir,

OFFER PLACEMENT OF INDUSTRIAL TRAINING

Please be informed that we are an environmental consultant company engaged in the Environmental Impact Assessment (EIA), Environmental Monitoring Plan (EMP) and Environmental Audit (EA). The scope of work are as follow:

1. Environmental Impact Assessment (EIA)
2. Monitoring quality of water, air, and noise at requested area – EMP
3. Environmental audit
4. Environmental management
5. Document management and reporting providers
6. Administration and Finance (basic)

Our aspiration as environmental consultant company is to guide and expose to student work related to their course. Our main objective to train them is:

- Reveal to student with real job realms
- Allows student to associate the theory that has been learned with practical aspects with our company
- Expose to student future career path based on thier course.

Kind Regards,

Hassan
