## *Corporate Review*

**THE KNOWLEDGE GROUP (M) SDN BHD, (TKG)** was established in the year 2000 by a group of audio-visual professionals. Our company is an importer and distribution house who provides Total Audio-Visual (AV) Solution for all levels of complexity.

Our scope of services primarily focuses on AV distribution and consulting, AV installation and system integration, testing and commissioning of turnkey systems.

Our team consists of trained, qualified and internationally certified professionals who are familiar with the best AV technology to help your company, institution or business implement complete AV solutions.

For over 20 years, our AV integration company has provided services to many different groups of customers who come from corporate industries, educational institutions, statutory boards, government departments and more.

Today, we are widely recognised across Malaysia as a renowned AV installation company, specialist, distributor and system integration expert. Many customers also regard us as a company whose knowledge and expertise are at the forefront of technology.
