4. The internship period is flexible, depending on the requirements of the institution and the suitability of the students. For the year 2025, we are offering placements to students who will undergo industrial training during the May until next year intake. Interns will be exposed to real industry operations and will receive guidance from our experienced staff. Allowance also provided.

5. Enclosed is a brief profile of our company and additional information regarding the internship program for your kind references.

6. We warmly welcome any form of collaboration and hope to establish a good relationship with Politeknik Sultan Idris Shah in supporting the development of future talents.

Should you have any inquiries, please do not hesitate to contact us at +017-2630488 / +012-7093168 (NATASHA) or email rcabjob@gmail.com.

Thank you for your kind attention and cooperation.

Yours sincerely,
